Four WP Broncos will attend the High Plains Band and Choir Festival at Chadron State College Feb. 2-3. From left, Christi Christner and Sydnee Harchelroad were selected for the honor choir and Jasmyn Smith and Cassidy Rathe were chosen for the honor band. The Festival will include two days of rehearsals and activities culminating in a concert at the end of the second day at Chadron State College. The students were selected after they prepared a recorded audition. While students are in rehearsal, directors have the opportunity of attending reading sessions and clinics that focus on their areas of teaching expertise. Christner also participated in the Doane Vocal Festival, Jan. 12 and 13, 2014, on the Doane College campus, in Crete, Neb. She was chosen by director nomination.
