Free Fishing and Park Entry Day on May 18 is an opportunity for everyone to enjoy fishing at a state park area in Nebraska without the requirement of a fishing or park permit.

Although no fishing or park entry permits will be required on the free day, which is celebrated annually on the Saturday before Memorial Day weekend, all other fee requirements, laws and regulations will be in effect. Anglers at Two Rivers State Recreation Area's (SRA) trout lake must buy a daily trout tag.

While the public is encouraged to bring their own fishing gear, tackle will be available for children to use, including rods and reels, bobbers, hooks, sinkers and bait. Game and Parks employees and volunteer fishing instructors will hand out materials and offer fishing tips to the participants.
